Bulletin #10 of 2020. August 28, 2020 **NEW PRODUCT BULLETIN** P/N 525-756 KM Diamond Water Shroud Kit

Products Affected: 500-710 KM Diamond w/Posts and 500-711 KM Diamond w/MWPC

The Water Shroud Kit for the KM Diamond is now available as a separate kit. The water shroud kit can be used for both traditional hot water applications and in dirty or debris laden water, using a constant water supply for increased protection of key helmet components.

The Diamond Water Shroud Kit for the Kirby Morgan® Diamond is available now.

Please contact your authorized KMSDI dealer or e-mail kmdsi@kirbymorgan.com for more information.
